

## **St. Mary's School -April Parent Letter**

Welcome back from Spring Break! It sounds like the students all had a great time whether they were home relaxing or on an action-packed adventure to our nation's capital! This month is going to fly by and the end of the school year is rapidly approaching.

We will have a 4 day weekend starting on April 15th for Good Friday and Easter. Have a happy Easter! Remember that Jesus' sacrifice and resurrection are the reason for the season. Continue to check our Facebook for some of the excellent content on virtue provided by Father Robert as he works tirelessly to be our spiritual leader.

Currently we are keeping the last day of school as May 26th. There may be some additional "snow make-up" work sent home to offset the two days that we missed due to weather and the heater breaking down. It doesn't seem like moving the last day of school to after Memorial Day weekend would benefit the students at this point.

Here are some important upcoming dates:

May 23rd - 8th Grade Graduation

May 24th - Pre-K Graduation

May 26th - Last day of school / End of the 4th Quarter

Thanks again for all you do!

- Mr. Lavelly
